Hello
STAMPIN' UP!
inspire. create. share.®

Welcome to the new annual catalog!

Every year I look forward to holding this wonderful book in my hands. Not many people realize how much work goes into creating a catalog, from designing and sourcing products, to ordering and testing them, to creating and photographing samples, and much more.

When I see the final printed copy, it gives me joy—not just because I appreciate what's gone into it and I love what I see—but also because I know what will happen because of it. People are going to gather together and have fun because of what's offered in these pages.

Some will come to know the satisfaction of creating a card or project that will brighten someone's day. Friendships will be formed—sometimes for life. Others will find what they see here so inspiring that they'll become part of what's now a worldwide Stampin' Up!® family. And speaking of our international family of demonstrators, I'd like to give a shout-out to our friends in the South Pacific who are celebrating ten years with us!

A new catalog is much more to me than just beautiful products and projects: it's a bridge that brings people together, and in some cases, it changes lives for good . . . forever! That, for me, is the most important thing of all. Enjoy!

STAMP STYLES

We offer three styles of stamps to meet your needs for any project—look at each stamp set description to see what sets are offered in which material.

All of our stamps are made in the United States and are packaged in cases with images on the spine for easy storage and quick reference.

All stamp artwork in the catalog is shown full size unless otherwise noted.

One set of reusable clear blocks (p. 183) works for all of your clear-mount and photopolymer stamps, reducing storage space.

Classic Rubber

Our classic red rubber stamps are offered with two different options for mounting on blocks:

Clear-Mount

With the clear-mount option, you receive a compact set of stamps ready for you to mount on reusable clear blocks (sold separately). Mount them one at a time or with others to create your own designs, then remove for easy storage.

Crazy about You Stamp Set (p. 70) shown in photo.

Wood-Mount

Each wood-mount set comes with a set of farmed maple wood blocks—one block for each stamp. Mount them once and they're always ready to go!

Crazy about You Stamp Set (p. 70) shown in photo.

Photopolymer

Transparent photopolymer stamps make it easy to line up images for creating unique effects. The ease of alignment and versatility also make them our stamp of choice for all-inclusive kits (p. 6–9), Project Life® (p. 162–167), and our project kits (p. 158–161). Mount them on reusable clear blocks (sold separately).

1 Mix + Match

Create your own stamp combinations—place several stamps on a single block!

Number of Years Stamp Set (p. 136) shown in photo.

2 Bend It

Flexible stamps give you even more creative possibilities!

Lovely Stitching Stamp Set (p. 98) shown in photo.

3 Two-Step

Layering multiple stamped images is called Two-Step Stampin'®. Look for sets throughout the catalog marked as Two-Step, and try it yourself!

WELL, THIS JUST STINKS.

SORRY I DON'T HAVE SOMETHING
MORE PROFOUND OR POETIC
OR SENTIMENTAL TO SAY.
BUT I JUST WANT YOU TO KNOW
HOW VERY MUCH
I LOVE AND CARE ABOUT YOU.

So sorry you're hurting.

I'm here for you.

Hang in there.

PAIN IN THE NECK...

AND sometimes it's a pain
in other places too.

Instead of buying bags for small treats and gifts, create them in a variety of sizes using the cardstock or Designer Series Paper (p. 169–175) of your choice. Makes bags 2" deep, up to 3-5/8" wide, from 4" to 10" tall. **Step 1.** Trim paper to desired size. Line up paper, punch, and score the sides. **Step 2.** Cut tab edges at an angle. **Step 3.** Fold on score lines to create bag shape. Punch holes (optional). **Step 4.** Put adhesive on tabs. Fold and adhere.

Envelope Punch Board
133774 **$20.00**
Make your own envelopes from any cardstock, Designer Series Paper, or Envelope Paper (p. 169–176) in up to 66 different sizes in four easy steps: **Step 1.** Cut coordinating paper or cardstock to the size of envelope you need. **Step 2.** Score and notch your envelope using the built-in notch punch. **Step 3.** Round the flap using the built-in corner rounder punch. **Step 4.** Fold and adhere the envelope edges. Punch Board includes an easy-to-use sizing chart (measurements provided in inches and centimeters) and a scoring tool in a storage slot.

Gift Box Punch Board
135863 **$20.00**
Add a fun element to packaging with this punch board, creating containers just right for that special gift. Use with cardstock or Designer Series Paper (p. 169–175). Create boxes up to 4" on each side. Sizing chart printed on board. **Step 1.** Line it up, punch, and score. **Step 2.** Notch the corners. **Step 3.** Fold up the sides. **Step 4.** Enjoy!
